

BRIEF INFORMATION

New HELLA Mini Lightbars

- Low profile amber Lightbar series
- Multiple user selectable flash patterns
- Unique design with various mounting options
- Available in 10" and 16", both as full amber or amber/white

PRODUCT FEATURES

The new state-of-the-art LED Mini Lightbars generate an intensive 360° degree warning signal and are highly functional for a multitude of applications. Both the 16" and 10" size offer a flashing and rotating warning signal, all in one product. They also feature different design and mounting options. The Mini Lightbars are available with a clear or amber lens and the LED's are available in amber or an amber/white combination. You can choose from a bracket or magnet mounting version. Our stainless steel mounting brackets come with foam foot placement cushions to protect and prevent scratches to the vehicle. The magnet mounting system has a generous 10ft cord with a switch powered plug that inserts directly into a DC power outlet.

RANGE OVERVIEW

10" Mini Lightbar

	Amber light, Clear lens	Amber light, Amber lens	Amber/White light, Clear lens
bracket	014566111	014566311*	014566411
magnet	014566121	014566321*	014566421

16" Mini Lightbar

	Amber light, Clear lens	Amber light, Amber lens	Amber/White light, Clear lens
bracket	014565111	014565311*	014565411
magnet	014565121	014565321*	014565421

* Special order items, expect longer lead time

TECHNICAL DETAILS

Technical data

	10" Mini Lightbar	16" Mini Lightbar
Operating voltage	10–30 V	
Current consumption	6.2 A (12 V) 2.9 A (24 V)	6.1 A (12 V) 2.8 A (24 V)
Power consumption	70 W	
Dome and Housing	Polycarbonate	
Connection	500 mm cable (fixed version), 2,500 mm cable (magnet version)	
Light function	Flashing, rotating	
Dimensions	10L x 6.5W x 20H	15.8L x 8.6W x 20H
Weight	691 g	1,300 g
Temperature range	-40°C to +65°C	
Polarity reversal protection	Yes	
Protection class	IP67, IP6K9K	
EMC protection	ECE-R10, CISPR 25 class 3	
Homologation	SAE J845 Class 1	

Mounting options

Bracket mounting
(Foam foot cushion)

Magnet mounting
(10ft cord and switch powered DC plug)
